---

Fantastico is one of the most popular auto installers currently within the market. Being specially designed to work with cPanel, Fantastico features over sixty (60) installable applications. To locate your Fantastico auto-installer button, please follow the step-by-step directions outlined below:

- Login to your cPanel web hosting account
- Next, locate the section entitled "Software/Services"
- Once under "Software/Services" click on the "Fantastico" Icon

Should you have any further questions pertaining to your [Fantastico license](#), please feel free to get in contact with the LicenseCube support team for additional assistance.
