The process for logging into the Parallels Plesk control panel is quite easy, and can be accomplished within a few easy-to-follow steps. Please see below for more information.

- Open your preferred browser
- Next, in the address bar type the following URL:

http://**SERVER-IP-ADDRESS**:8443

- Please replace the items outlined in BOLD above to their actual values
- Next, fill in the username and password fields and click "Log In"

Should you have any further questions pertaining to your Plesk license, please feel free to get in contact with the LicenseCube support team for additional assistance.
