The process for logging into the Parallels Plesk control panel is quite easy, and can be accomplished within a few easy-to-follow steps. Please see below for more information.

- Open your preferred browser
- Next, in the address bar type the following URL:

http://**SERVER-IP-ADDRESS**:8443

- Please replace the items outlined in BOLD above to their actual values
- Next, fill in the username and password fields and click "Log In"
