---

cPanel is one of the most popular control panels currently within the web hosting industry. As such, cPanel has been able to build up a vast amount of additional documentation. To access this documentation, please see the resource links outlined below:

- [cPanel Installation Guide](#)
- [cPanel Hosting](#)

Should you have any further questions pertaining to your [cPanel license](#), please feel free to reach out to a member of the LicenseCube support team for additional assistance.
