The process for finding your Plesk SiteBuilder license key is easy; simply follow the step-by-step directions and you'll be able to locate the key number.

- Login to your Plesk SiteBuilder as the administrator
- Next, on the left hand side click on the "Server"
- Once the "Server" page loads, click on "License Management"

Once you are under the "License Management" tab, you will be able to see your Plesk SiteBuilder license key and when it needs to update.

Should you have any further questions pertaining to your [Plesk SiteBuilder license](#), please feel free to get in contact with the LicenseCube support team for additional assistance.
