The process for installing your WHMXtra license key is easy and quick. Please follow the step-by-step directions outlined below for your convenience.

- Login to your cPanel/WHM server via WHM
- Next, scroll down until you locate the section entitled "Plugins"
- Under the "Plugins" section click on "Xtra Ultimate"
- Once the page loads, click on "Set License Key"
- Input your WHMXtra License Key, and click the "Change" button

Once your WHMXtra key has been applied, you may start using WHMXtra tools and scripts to manage your server and all its daily functions.

If you have any further questions pertaining to your [WHMXtra license](#), please feel free to get in contact with the LicenseCube support team for extra assistance.
