Locating the Plesk SiteBuilder logs is easy and can be done directly via the Plesk SiteBuilder interface. Please follow the step-by-step directions indicated below.

- Login to your Plesk SiteBuilder as the administrator
- Next, on the left side menu under "System" click on "Logs"
- Under "Logs" you can locate any/all issues within Plesk SiteBuilder

Should you have any further questions pertaining to your [Plesk SiteBuilder license](#), please feel free to get in contact with the LicenseCube support team for further assistance.
