---

The process for switching languages within Fantastico is easy, and is based around the fact that not everyone speaks English. To adjust the language within your Fantastico, please follow the step-by-step directions outlined below for your convenience.

## Switching languages within Fantastico Admin:

- Login to your cPanel Virtual/Dedicated server via WHM
- Next, locate the section entitled "Plugins" and then click on:

Fantastico De Luxe WHM Admin

- Once under "Fantastico De Luxe WHM Admin" click on "Settings"
- Then, locate "Language (in WHM)" and switch it as needed
- Finally, simply click on "Save" to apply the changes!

## Switching languages within Fantastico Client:

- Login to your cPanel Virtual/Dedicated server via WHM
- Next, locate the section entitled "Plugins" and then click on:

Fantastico De Luxe WHM Admin

- Once under "Fantastico De Luxe WHM Admin" click on "Settings"
- Then, locate "Language (in Client)" and switch it as needed
- Finally, simply click on "Save" to apply the changes!

If you have any further questions pertaining to your [Fantastico license](#), please feel free to get in contact with the LicenseCube support team for additional help.
