The process for switching out the IP address that your WHMSonic is licensed to is quite easy, and literally only takes a couple of seconds. Please follow the step-by-step directions outlined below for your convenience:

Please be advised that for WHMSonic to successfully switch to the new IP address, that your server must be fully licensed with cPanel/WHM prior to making the switch.

- Please go to the [contact us](#) section of our website
- Fill in all the relevant information needed
- Next, please indicate the following information:

Current WHMSonic Licensed IP:

New WHMSonic Licensed IP:

- Finally, click the "Submit Form" button

Once submitted, you should receive an email reply within a few minutes with your request ID. Please use the request ID to follow up for status if needed.

Should you have any further questions pertaining to your [WHMSonic license](#), please feel free to get in contact with the LicenseCube support team for additional assistance.
