The process for switching out the IP address that your WHMSonic is licensed to is quite easy, and literally only takes a couple of seconds. Please follow the step-by-step directions outlined below for your convenience:

Please be advised that for WHMSonic to successfully switch to the new IP address, that your server must be fully licensed with cPanel/WHM prior to making the switch.

- Please go to the contact us section of our website
- Fill in all the relevant information needed
- Next, please indicate the following information:

Current WHMSonic Licensed IP:
 New WHMSonic Licensed IP:

- Finally, click the "Submit Form" button

Once submitted, you should receive an email reply within a few minutes with your request ID. Please use the request ID to follow up for status if needed.

Should you have any further questions pertaining to your WHMSonic license, please feel free to get in contact with the LicenseCube support team for additional assistance.
