The process for switching out the RVSkin licensed IP is quick and easy. Please follow the step-by-step directions indicated below, and you'll have this completed within several minutes.

Please note that you MUST have cPanel fully licensed on this IP address in order for the IP change to be successfully completed. If not, the RVSiteBuilder IP change will fail.

- Please go to the contact us section of our website
- Fill in all the relevant information needed
- Next, please indicate the following information:

Current RVSkin Licensed IP:
New RVSkin Licensed IP:

- Finally, click the "Submit Form" button

Upon submission, you will receive an automated ticket ID. The ticket ID will provide you with a way to track your request, should you need to get in contact with us.

If you have any further questions pertaining to your RVSkin license, please feel free to get in contact with the LicenseCube support team for extra assistance.
