The process of upgrading or downgrading your web hosting license is easy, and typically can be done fairly quickly. To request a license upgrade or downgrade, please follow the step-by-step directions outlined below.

- Please go to the [contact us](#) section of our website
- Fill in all the relevant information needed
- Next, please indicate the following information:

Please can you downgrade my...

- Finally, click the "Submit Form" button

Once your request has been received, you will automatically receive an email reply with a ticket ID. Please use this ticket id to track the process of your request if needed.

If you have any further questions pertaining to your [web hosting licenses](#), please feel free to get in contact with the LicenseCube support team for additional assistance.
