When you’re unable to resolve a problem by yourself, you can always count on the LicenseCube support team to assist you. To submit your support ticket, please follow the step-by-step directions outlined below for your convenience.

- Please go to the contact us section of our website
- Fill in all the relevant information needed
- Next, please indicate the following information:

Please indicate the nature of the issue your facing

- Finally, click the "Submit Form" button

Once submitted, your support request will be assigned a request ID. Should you need to follow up on a ticket to obtain status or provide more information, please ensure that you provide this request ID to reference this case.

If you should have any further questions pertaining to your web hosting license, please feel free to get in contact with the LicenseCube support team for additional assistance.
