The process for re-issuing your WHMCS license is quite simple and only takes a moment or two to complete. Please follow the step-by-step directions outlined below for your convenience:

- Go to the LicenseCube Support Center
- Next, click on the icon under "Support Quicklinks" called "Reissue License"
- Once clicked, a new form will appear above the icons; please input values for:

Client ID - This is the ID that your account was assigned when you had initially activated your first license.

License ID - This is the row to input your WHMCS license key, this generally starts with the word "Leased-".

Type - Please select the type of license you wish to re-issue, in this particular case it would be "WHMCS".

- Once ready to re-issue your license, please click the "REISSUE LICENSE" button to process the reissuance.

Should you have any further questions pertaining to your WHMCS license, please feel free to get in contact with our hosting license team for further assistance.
