The process for switching out the Installatron licensed IP is quite quick and only takes literally a couple of minutes. Please follow the step-by-step directions outlined below for your convenience:

- Please go to the [contact us](#) section of our website
- Fill in all the relevant information needed
- Next, please indicate the following information:

Installatron IP (current):

Installatron IP (new):

- Finally, click the "Submit Form" button

Once you've submitted this support ticket, you should receive an automated email response with your request ID. You may use this request ID to track the status of your support request if needed.

If you have any further questions pertaining to your [Installatron license](#), please get in contact with the LicenseCube support team for additional guidance.
