The process for updating the WHMCS license key is quite easy and can be done in a few easy to follow steps. Please see the stepâ€“by-step directions outlined below for your convenience:

- Login to your WHMCS Admin Area
- Upon login, you should see a licensing error box
- Next, locate and click on "Got a new license key?"
- Input your WHMCS username/password and license key
- When ready, simply click "Change License Key"

Should you have any further questions pertaining to your WHMCS license, please feel free to get in contact with our web hosting support team for additional assistance.
